Hello Mike, can you give me a quick shout before 3 pm - trying to help our Chief of Police get through his board meeting at 3:00... this is Serge Arpin, COS to Jim Watson

Thanks Serge— just hopping off a secure brief in a moment and will call with zita

RCMP confirms they have committed approx. 250 members per day. As of right now, this is the breakdown for the weekend:

Day shift – 47 deployed; 71 on standby (i.e., have not be assigned a post/shift)
Night shift – 59 deployed; 116 on standby (i.e., have not be assigned a post/shift)

The OPS has line of sight. The RCMP's lead is in direct contact with the Chief's 2iC.

This cover off or do you need more detail?
